

OUR RECOMMENDATION OF TRAVELERS INSURANCE

To make a trip, it is advisable to have insurance that covers eventualities other than those related to surgical complications; that is, travel insurance that covers unexpected health situations or with luggage and belongings, legal matters and others. If you already have travel insurance, please remember to check the coverage and the time of validity.

If you do not have travel insurance, the Ophthalmological Specialties Clinic recommends ASSIT CARD.

WHY WE RECOMMEND ASSIST CARD

For the Ophthalmological Specialties Clinic it is very important that our patients travel safely, for this we recommend Assist Card because it is a company with a long history, with a very good rating of its customers, easy to acquire online and has travel coverage to visit us in Medellín - Colombia. AssistCard offers insurance to cover everything from a highly complex medical eventuality, to a transfer by medical plane or assistance in the recovery of lost luggage.

ABOUT ASIST CARD

Assist Card is part of the Starr Insurance Companies group. Since 1972 it has been dedicated to providing comprehensive assistance to the traveler and has expanded to the five continents.

It has 74 passenger service offices interconnected with state-of-the-art technology, which guarantees uninterrupted service availability in 16 different languages and 24-hour service, all year round.

It has a wide network of providers around the world and has the capacity to provide solutions and immediate response in more than 190 countries, from a simple medical consultation to the most complex eventualities, such as a medical transfer, luggage tracing and flight reservation, among other services.
